## Alexandria Gazette.

THURSDAY EVENING, MAY 11, 1882.

### LOCAL MATTERS.

**WEATHER PROBABILITIES.** May 11, 1882. The Middle Atlantic States cloudy weather, with light rain, winds mostly easterly, stationary or lower temperature, and pressure.

**U. S. COURT ITEMS.**—Chief Justice of the United States Supreme Court, M. R. Waite will sit with Judge Robert W. Hughes at a session of the United States District Court, to be held in this city on the 22d instant, to hear arguments on a motion in the case of Alexander Hay against the Alexandria and Washington Railroad Company and others, to vacate the order entered last January appointing George C. Wilkins receiver of the said road. The counsel in this case representing the various defendants, are numerous, among them Francis Miller, H. H. Wells, H. O. Claughton, Francis L. Smith, C. C. Wattle, Eppa Hinton and John Selden. The following are the defendants: The Alexandria and Washington Railroad Company, the Alexandria and Fredericksburg Railway Company, the District of Columbia, Joseph and Thomas Bradley, the old firm of Fowler, Snowden & Co., Joseph Thornton, Wm. H. Marbury, John Elliott, Charles Glover, Thomas Hyde and E. F. and T. L. Riggs.

A suit in equity has been entered in the U. S. Circuit Court by Alfred G. Williams against Wm. B. Robertson and L. S. Mayne, trustees, and others, involving a large amount of property in Campbell county, Va. The suit of the United States against the Alexandria Canal Company for the recovery of certain stock of that company will come up before Judge Hughes in July.

**TEMPERANCE CONVENTION.**—A convention to be composed of delegates from all the temperance organizations in Alexandria city and county, Fairfax, Prince William, and Fauquier, will assemble in this city next week, the object of which is to review the work in the counties named, and make arrangements for a general warfare against the liquor traffic. W. W. Thornton, of Prince William county, will be chairman, and G. Pat Berkeley, of Fairfax county, secretary of the convention. A good many delegates are expected and the Washington and Ohio Railroad Company has agreed to return members free over that road upon the presentation of a certificate from the secretary of the convention.

**HONORS TO EX-GOVERNOR SMITH.**—The friends and admirers in this city, among them many prominent citizens, of ex-Governor Wm. Smith, of Warrenton, have invited that gentleman to address his old constituents here, at Armory Hall, next Tuesday night. If the hall can be obtained for the occasion, the ex-Governor has accepted the invitation, and will be entertained at Green's Mansion House, where he will be pleased to receive, in the afternoon, the citizens and their families. Gov. Smith is now in his 85th year, having served the State as Governor, member of Congress and Major General, during the war, in the Confederate service.

**BEFORE THE MAYOR.**—A dealer in the market was before the Mayor this morning charged with selling articles not raised by himself in violation of the law on the subject. A good many of the country people and hawkers were present. Nearly all the witnesses examined testified that if the law prohibiting the sale by country people of articles belonging to their neighbors was enforced, very few would escape. The accused party was dismissed, the understanding being that the law would be complied with. This was the only case at police headquarters to-day.

**DAMAGED ENGINE.**—Engine No. 31, of the Virginia Midland Railway Co., thrown from the track by striking a cow on the Manassas division of the road, near Marshall, Tuesday morning last, and damaged, was brought to this city this morning. The engine, which upon jumping the track ran into an embankment, although not seriously damaged, was in a pretty dilapidated condition. A new cylinder, a new truck, and some other repairs will be necessary. The work of repairing damages was commenced immediately.

**THE RELIEF HOOK AND LADDER FAIR.**—The fair at Armory Hall, for the benefit of the Relief Hook and Ladder Company, owing to the inclemency of the weather, was not very largely attended last night, but the vote for the articles named was somewhat increased, as will be seen by the following: For Gun—James Smith 10, R. W. French 3, Julian F. Young 2. For Baby's Carriage—Eddie Bohrens 18, George Fisher 18, Birdie Waterman 10, scattering 1.

**THE LINCOLN CONCERT.**—The entertainment at the M. E. Church, by the Lincoln Family, last night, was a very interesting affair. A large number of fine hymns, and several good songs were excellently rendered. At the conclusion of the entertainment the family bid the audience farewell, Mr. Lincoln returning thanks for the many courtesies extended him and his wife and son during their pleasant stay in Alexandria, and promising to visit the city again.

**Indignation Meeting.**—To-morrow, May 11, an indignation meeting was held here last night to express public feeling over the recent proclamation issued by President Arthur. An immense crowd was in attendance. Speeches were made and a committee appointed to draft suitable resolutions expressive of the sense of the meeting and to forward the same to the President and to Congress.

**EXTRA PASSENGER TRAINS.**—On and after Sunday next four extra passenger trains will be run on the Virginia Midland Railway—one to and one from Warrenton, to run daily, except Sunday, and one to and one from Charlottesville, to run daily, connecting with the Chesapeake and Ohio Railroad trains at the latter point. These additional passenger trains will be a great convenience to the traveling public.

**FUNERAL.**—The funeral of the late Mrs. Jane E. Corbett, whose death was noticed in yesterday's Gazette, took place from the residence of her husband in Arlington district, Alexandria county, this afternoon. A large number of friends of the deceased were present, including many from this city. The remains were interred in the county cemetery. Mr. B. Wheatly, of this city, conducted the funeral.

**STRAWBERRY FESTIVAL.**—The ladies of the M. E. Church South will give a strawberry festival Tuesday evening, May 23d, in the store room, on King street, recently occupied by A. King Chandler. An enjoyable time may be anticipated. The proceeds will be used to repair the Sunday School room.

**AT THE MISFIT STORE.** In Washington suits can be had at about half cost with a large and varied stock to select from. See the advertisement in to-day's Gazette.

**SEED CORN: SEED CORN!** White and yellow, in store and for sale by CHAS. S. TAYLOR, Jr., ap20

There is no denying the virtues of the Hop plant, and the proprietors of these Bitters have shown great shrewdness and ability in compounding a Bitter, whose virtues are so palpable to every one's observation. —*Examiner and Chronicle.*

### WHAT ARE MISFITS? WHAT ARE MISFITS? MISFITS?

By the term misfit the trade denominates: All clothing left on the merchant tailors' hands. This occurs in a dozen or more ways. Frequently gentlemen, after ordering suits, find that they need the cash worse than they need the clothing. The consequence is that they forfeit their deposit and the tailor finds himself stuck with the suit. At times, too, the tailor fails to satisfy in fit or finish. Tailors have to lose good customers, and rather than allow them to go away dissatisfied the offending garment goes among the misfits, while new garments that will satisfy are made to replace them. These misfits the tailor is unable to sell for several reasons. He hasn't the assortment to attract attention, and to attempt to convert those who come after ordered goods into buyers of ready-made clothing would ruin the trade of the merchant tailor. It is then we come in with the cash and the garments change hands.
